

"Tricentennial Tall Ship" cover artwork by renowned New Orleans painter Alex Beard.

FELLOW NEW ORLEANIANS,

We all have the unique opportunity to celebrate the New Orleans Tricentennial together.

A group of citizens banded together to bring an international fleet of historic ships to Woldenberg Riverfront Park at Audubon Aquarium of the Americas, April 19 - 22, 2018. This stellar maritime gathering will culminate at the Tall Ships® Tricentennial Gala fundraiser.

This Gala supports our goal to share these seafaring ships with the public and thousands of New Orleans' students, at no charge. They will step on board and see life from another century.

Please join us for this moment in our own history with a grand birthday cake by Sucre topped off by fireworks.

Sincerely,

James M. Huger

Chairman
